note about locations: in **package one**, i recommend choosing a versatile location such as Millennium park. we can shoot one outfit in the park + another out on the city streets! more bang for your buck. (Pick any respectable location). locations must be within 30 minutes of each other.
note about time: my timeframes are very generous i usually wrap earlier because i am able to shoot quickly. i suggest blocking out 2 hours for your shoot, but don't be surprised if we wrap half an hour early. timeframe includes travel time between locations.

BOOKING YOUR SESSION

I require a 25% non-refundable deposit via venmo/paypal to secure your session date + time. WHAT HAPPENS IF YOU NEED TO CANCEL/THE WEATHER IS WHACK?! if the weather is crazy/act of God/i am sick/etc, you can put your deposit toward a re-schedule or you can have it refunded. however, if you need to cancel or don't show up to the session, the deposit will not be refunded. the purpose of the deposit is to lock in your date + time. if you cancel last minute, i could have booked someone else during that period. i do not write anything down in my calendar until the deposit has been paid, making your desired time slot up for grabs. nothing is booked until the deposit has been paid.

HOW WILL I RECEIVE THE FILES?

You will receive all of the files via Google Drive or Dropbox. You then can send them to print, forward to your friends + family, and post online! download links will be sent to your contact information in a few days,download your images asap! make sure to save + backup your images. i clean out my client files every few months and cannot guarantee that i will backup the images for you.
